PROFESSIONAL SUMMARY

I have completed Electrial Engineering from Dr. S & S.S. Ghandhy gov engg. college in May 2019..

I have been working as a full stack developer in my own firm zingaro infotech since 2 years (6 months in Nodjs/React). And working as a Guest Faculty for Nodejs/React in red&white multimedia education snce 2 months.Other than that I have been working on severl tech startups as fullstack developer.

I would like to get in a reputed IT Company for better career growth and experience. Because as an independent developer I dont get to work with larger companies.

SKILLS

- Web user interfaces
- Communication Skills
- Windows/Linux
- Project management
- NodeJS
